Distinguished by its textured Oxford weave, RUBY-130 delivers premium quality with enhanced visual appeal for corporate environments. The cotton-rich composition ensures maximum breathability and comfort for all-day office wear, while the distinctive basket-weave structure adds dimension and sophistication to professional shirts and blouses. Its medium weight provides excellent opacity and durability, making it particularly suitable for executive shirts, management uniforms, and upscale corporate wear where refined appearance matters.

Premium pure cotton fabric that prioritizes natural comfort and breathability. GARNET-125 offers superior moisture absorption, making it the perfect choice for demanding work environments where staff comfort is paramount. Its classic plain weave creates a smooth, professional finish that represents quality and tradition. Ideal for establishments seeking an authentic, natural fiber uniform that softens beautifully with each wash while maintaining structural integrity.

FABRICS FOR WORKWEAR & OUTDOOR

YEARS OF MANUFACTURING TRADITION

COMBINED WITH A EUROPEAN BUSINESS PHILOSOPHY THAT
YOU CAN FEEL IN EVERY METRE OF FABRIC

Since 2002, XM Textiles has been dedicated to one idea: fabrics that protect, perform, and endure. We design and develop textiles for workwear, uniforms, and protective clothing trusted by professionals across industries and continents.

Our team of several hundred specialists, spread across Asia and Europe, combines global reach with hands-on expertise.

With manufacturing in China, warehouses in Poland, Romania, Portugal, and Kazakhstan, and representatives in eleven countries, we're always close to our customers and ready to find the solution that fits.

YOUR BENEFITS

Earn more by attracting large corporate clients who pay special attention to product quality and brand reputation.

Save your money by reducing the number of claims / complaints and returns from your customers.

Save your time. Due to the well-functioning business processes in our company, you will quickly receive all the necessary information / product samples / documents / goods.

Make the purchasing process easier and more convenient for you, since you can purchase all the necessary products for the production of workwear from us, without the need to contact several suppliers.

Make the purchasing process even more efficient due to special loyalty programs that apply to our regular customers.

Receive even more orders from your end customers by providing international certificates confirming the high quality of the products used. All certificates that our company has are provided absolutely free of charge upon first request.

Develop unique fabrics and colors with us. It will help you stand out from your competitors and add attractiveness to your products.

Optimize and save on logistics if your production sites are located in different countries or even continents. We will deliver fabric of the same color and quality to different parts of the world.
